Jan 2018 - Jun 2020 | San Diego, CA

- Developed chat bots (NodeJS) as a freelance developer for a social media platform called Discord

Education

California Polytechnic State University San Luis Obispo

Pursuing BS in Computer Science

Expected June 2025 | San Luis Obispo, CA

Concurrent San Diego Mesa College | Mission Bay HS

AA In Liberal Arts & Computer Science | HS Diploma

Graduated Fall 2022 | San Diego, CA

Cum. GPA: 3.86 | 4.83

UCSD Extension

Professional Certificate In C/C++ Programming

Graduated Sept 2018 | San Diego, CA

Summary

An experienced software engineer with over 1.5 years of professional software engineering experience. Current sophomore pursuing a bachelors of science in computer science from California Polytechnic State University San Luis Obispo.

Skills

Technical

Proficient with:

ReactJS • TypeScript • SCSS • PostgreSQL • React Native
 JavaScript • Node.JS • HTML • CSS • GraphQL • MySQL • REST
 Git • MongoDB • AWS • ExpressJS • NestJS • NextJS • C/C++
 Algorithms • Data Structures • API Design • Python

Familiar with:

Rust • GoLang • Docker • Svelte • Bash • Markdown
 C# • Unity • Xamarin • Java • AngularJS • Pandas

Soft

Experience demonstrating:

Leadership • Initiative • Resourcefulness • Grit
 Communication • Cooperation

Projects

Portfolio Website | matthewlin.dev

- Portfolio website built using HTML, MaterializeCSS, and ReactJS
- Features responsive design to create a robust website

YouTube Educational Channel | Matthew Lin

- Educational content teaching a variety of topics across computer science: <https://youtube.com/matthewlin>
- Content has been viewed 15,000+ times

Leadership Experience

Ripple Software Club

Co-Founder & President

Aug 2019 - April 2022 | San Diego, CA

- Led the club in designing, developing, and deploying a digital school communication platform for students in San Diego Unified School District

FRC Robotics Team 4160
